National Taiwan Normal University Online Course Teaching Plan

Instructions: According to **Article 6 of the Implementation Regulations Regarding Distance Learning by Universities**, Departments/Programs offering distance learning courses, shall present a course plan and submit it for approval by the university-level academic affairs committee. The course plan referred to in the preceding paragraph shall set forth learning objectives, the target student group, a course outline, teaching methods, interactive student-teacher discussion, grading and course requirements. The course plan shall be posted on the Internet.

- 1. Chinese Course Name: _生醫與健康數據分析_
- 2. English Course Name: Biomedical and Health Data Analytics
- 3. Course start date: Fall semester of 2024 (yyyy)
- **4.** Course review submission record(if applicable):
 - \square (1) It is a new online course or an existing face-to-face course switching to online course in this semester
 - (2) It is an existing online course; the latest University's Course Committee approval was in the <u>Fall</u> semester of <u>2022</u> (academic year)
 - \square (2.1) The 5-year validity period has expired; a new application is required.
 - $\square(2,2)$ In case of a major change in the original approved course or if the revision ratio exceeds 30%, reapplication is required.
- **5. Basic Course Information** (■ if applicable)

(5)	Teaching Methods	 1. Provide 2. Provide 3. Provide 4. Provide 	d; multiple choices allow e primary and suppleme e face-to-face teaching, e synchronous teaching, e asynchronous teaching e topic discussion activi	ntary materials for conumber:2 time number:4 times, number:10 times.	e(s), total hour(s):4 e(s), total hour(s):8	B_ hour(s)	(s)	

		6. Provide cooperative learning activities between students7. Mutual learning through students' works
		8. Others: (please specify)
(6)	Learning Management System (moodle)	Which moodle functions are used in this course? (if included; multiple choices allowed) Note: For teachers and students from domestic or foreign universities who are participating in joint programs that require access to Moodle, please have the course instructor contact the platform manager at extensions 5673 or 5579. E-mail: elearn@ntnu.edu.tw 1. Personal data 2. Course information 3. Latest News release & browse 4. Course materials viewing & download 5. Grade system management & inquiry (omit if inapplicable) 6. Perform online testing (omit if inapplicable) 7. Learning information 8. Interactive learning design (chat room or discussion area) 9. Other related functions: (please specify)
(7)	Public Information about Interactive Teaching	Instructor Profile and Published Works (webpage link instructions can be attached): https://web.ntnu.edu.tw/~ptm110_14067/ Instructor E-mail: elim@ntnu.edu.tw Online Office Hours (at least 1 hour per week): Mon ` Wed : 11:30-12:30 Teaching Assistant's Name/E-mail (omit if inapplicable): Others(omit if inapplicable):
(8)	Course Material Production	 if included; multiple choices allowed) 1. Provide appropriate reminders of key points 2. Provide teaching-related examples 3. Provide teaching-related exercises and reflective activities 4. Provide supplementary teaching materials or online resources 5. Provide instructions for self-directed learning 6. Learning objectives are consistent with course goals 7. Others:

	Assignment	(if included; multiple choices allowed)				
(0)	Submission	■ 1. Provide online assignment content description				
(9)	Method	■ 2. Assignment file upload and download				
		■ 3. Others:				
	Assessment	X To comply with the spirit of online course design, please understand and agree to the contents of the following				
		3 items, and provide detailed description:				
		■ 1. The course can provide evaluation results and feedback for each learning evaluation				
		■ 2. The evaluation has taken the students online learning history and participation level into account				
(10)		■ 3. The percentage of each score is explained in detail below:				
(10)		(Evaluation methods, and their total score percentage)				
		(1) Assignments: 20%				
		(2) Class participation and involvement : 20%				
		(3) Final project: 40%				
		(4) Final project presentation: 20%				
(11)	Precautions	1. Please provide each group member's email (same as the one on Moodle) when forming a group.				
(11)	for Class:	2. Please respect intellectual property rights.				
	Observe intelle	ctual property rights in the creation of course content.				
(12)	* Pay attention to any infringement of copyright or other rights in the creation of relevant teaching content.					
(12)	* If the copyright for any part of the teaching content is owned by others and authorization has been obtained from the rights holder,					
	please indica	te the source of the material.
